

Department **REPORT**

Annual Report 2009

Surveying Unit

The Survey Unit is responsible for providing teaching and learning, practical training and research for students in the field of survey. The unit is headed by the Unit Coordinator and assisted by two technicians and one general staff.

For the year 2009, there was one student pursuing PhD. The Survey Unit obtained a RM80,000.00 FRGS grant. The Survey Unit conducts the survey camp for every semester at designated camps for students.
