

## DEPARTMENT OF EXTERNAL PROGRAMME

The part-time civil engineering programme conducted by UTMSPACE and FKA have been well received by working technical assistance and assistant engineers. Currently there are 717 students enrolling this programme at our learning centres throughout Malaysia.

The part-time programme which started in 1999 has so far produced 1283 graduates.

Learning centres and number of students in Year 2010

### ACTIVITIES OF THE DEPARTMENT

NO.	LEARNING CENTRES	NO. OF STUDENTS
1	Johor Baharu Faculty of Civil Engineering, UTM Johor Bahru, Johor	36
2	Pulau Pinang D'Piazza Mall, Bayan Baru, Pulau Pinang	26
3	Kuala Lumpur Yayasan Selangor, Kuala Lumpur	474
4	Ipoh Ungku Omar Polytechnic, Ipoh, Perak	48
5	Kota Bharu Wisma Redland, Kota Bharu, Kelantan	19
6	Alor Setar Sultan Muadzam Shah Polytechnic, Jitra, Kedah	52
7	Kota Kinabalu Kolej Yayasan Sabah	37
8	Kuching Pusat Pembangunan Kemahiran Sarawak	25
<b>TOTAL</b>		<b>717</b>

Registration of new civil engineering students at Smart Classroom, 12 June 2010

## STATISTICS OF GRADUATE FROM THE PART-TIME PROGRAMME.

Year	1999	2000	2001	2002	2003	2005	2006	2007	2008	2009	2010
Graduate/Year	242	128	112	120	98	159	55	75	54	67	99
Cum. Graduate	242	370	482	602	700	933	988	1063	1117	1184	1283

### Programme Accreditation

On 7 April 2010, the Board of Engineers, Malaysia (BEM) had granted the part-time programme a three-year accreditation from 2009 to 2011. This accreditation means the part-time programme is recognised by the professional body and our graduates are able to become a professional engineer with the Board.

### Lecturer

In 2010, several lecturers from the Faculty of Civil Engineering had joined UTMSPACE to be fully involved with the teaching of part-time programme. The faculty thanks the following lecturers for their contribution to FKA and wishes their success with UTMSPACE

1. Assoc. Prof. Abdul Aziz bin Abdul Muti (Based in Johor Bahru)
2. Mr. Zainudin Taib (Based in Johor Bahru)
3. Mr. Mohd Zahry Othman (Based in Kuala Lumpur)

### Gemilang Bintang Award

UTMSPACE, had organised 'Majlis Anugerah Gemilang Bintang' on 17 December 2010 at Mutiara Hotel, Johor Bahru. The ceremony was to honour excellence and appreciation to faculties and staff involved in the part-time programmes. During the event, Faculty of Civil Engineering was selected by UTMSPACE as the Outstanding Faculty for the Year 2009. The award comprising a certificate, medal and cash prize of RM3,000.00 was awarded by the UTMSPACE Dean. Also during the ceremony, Assoc. Prof. Dr. Aziz Saim, Assoc. Prof. Dr. Abdul Rahman Mohd Sam and Assoc. Prof. Mohd For Mohd Amin were selected as the best lecturers for the Engineering Lecturer Category.

*Deputy Dean (Research and Development), Prof. Dr. Khairul Anuar Kassim receiving the Outstanding Faculty Award from UTMSPACE Dean, Assoc. Prof. Dr. Khairul Anuar Abdullah.*
