

## POSTGRADUATE STUDENTS

Postgraduate programmes are offered by all departments in the faculty. The degrees awarded are Master of Engineering (M.Eng), Master of Science (M.Sc), Doctor of Philosophy (Ph.D), and Engineering Doctorate (Eng.D). The master programmes are conducted in full taught course, full research or mixed mode (taught course plus research). The mixed programme was first offered in the 2009/10 academic session.

The programmes offered:-

- Master in Civil Engineering
- Master in Construction Management
- Master in Structural Engineering
- Master in Project Management
- Master in Geotechnical Engineering
- Master in Transportation and Highway Engineering
- Master in Hydraulics and Hydrology Engineering
- Master in Environmental Engineering
- Engineering Doctorate in Construction Technology and Management
- Doctor of Philosophy

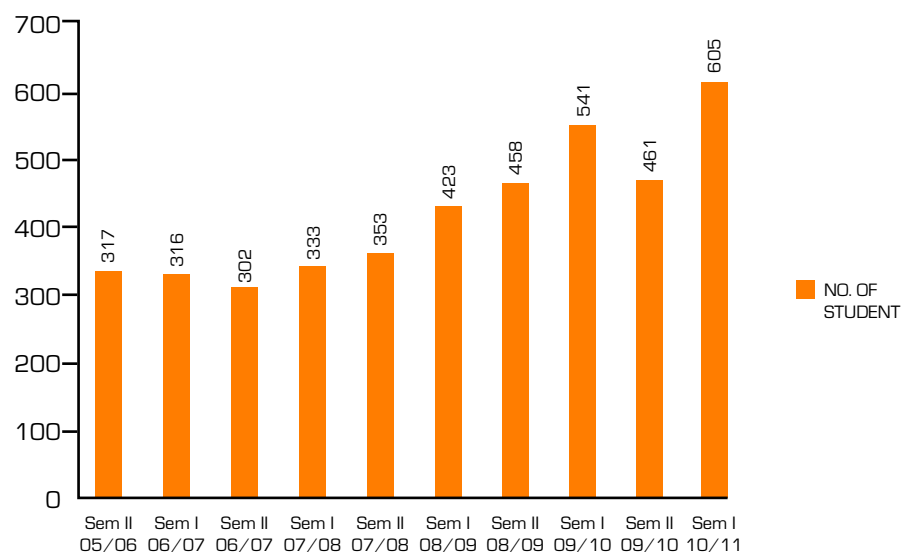

The type of study:-

- Full-time (Johor Bahru)
- Part-time (Johor Bahru and Kuala Lumpur)
  - The part-time program in Johor Bahru is conducted during the weekdays, while in Kuala Lumpur it is conducted during weekends

The mode of study

- full taught course
- full research
- mixedmode (taught course plus research)

The graph shows the total enrolment of post graduate students from 2006 to 2010 (Semester I Session 2010/2011). The number includes those who are in the English course. For the current academic session, in proportion to the number of undergraduate students, the number of post graduate students is about 30%.
