

TUNING CALOHEA Asia

A project co-funded by the Erasmus+ Programme of the European Union
FKA is part of TUNING CALOHEA Asia

In the framework of the CALOHEA Erasmus+ project co-funded by the European Union, representatives of the Faculty of Civil Engineering, Universiti Teknologi Malaysia will take part in the first **National Dissemination Meeting (NM)** to take place at the First Half of 2023 in **7 ASEAN Countries**.

The first round of NMs will be organised in seven countries: Cambodia, Indonesia, Laos, Malaysia, The Philippines, Thailand, and Vietnam from March-May 2023. The target participants of the meetings are policymakers, university leaders, programme chairs, academic staff, students, and employers.
